Dear Johna:

Your family recently contacted me about your current battle with Leukemia and invited me to attend the marrow drive. Unfortunately, I am not able to join you for this important event, but my thoughts will be with you and your family. Whenever I hear of such struggles and tests, I can only hope they are met with the kind of resilience you have shown. I want to share with you my admiration for your strength and determination to confront this disease.

I am praying that you will be able to find a donor soon and regain your health and active lifestyle. You have shown tremendous character in the face of adversity.

My thoughts and prayers are with you in this difficult time. Please give Brian and Jamison my best.

Best Wishes,

TOM OSBORNE
